

TIER 1 CHECKLIST

Panzer Lehr Re-enactment Society · Uniform requirements

Name _____ Date started _____

Tick each item once you have it, and use the spaces to note sizes, condition, where it came from and what it cost. Get all of Tier 1 before buying from Tier 2. To start with you only really need the uniform, boots, cap and belt. If you are unsure about anything, speak to the senior members before you buy: buy once and buy right, rather than buy cheap and buy twice.
